

December 7, 2004

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Mark Tew
Acting Chief, Fire and Public Weather Services Branch

SUBJECT: Certification of 10-503, WFO Public Weather Forecast
Products Specification

The Office of Climate, Water, and Weather Services reviewed National Weather Service Procedural Directive 10-503, WFO Public Weather Forecast Products Specification and certifies it is current and requires no updating during its FY 2005 annual review cycle.
